Old Business:

Water System discussion with Brian Klein and Engineer Russ Stammers. Discussion for plan to come up information DNR is requiring. Russ discussed some of the option that we might have and the city council let him know what options were viable for the City of Plover. We will be gathering water samples from different areas to get an idea of what might work and what won't. We want these results by the next meeting where Russ can come back and have further discussions on the matter.

Hospital bills that were presented to us for slip and fall have now been filed with individuals insurance company since this was not on city property. Matter is closed.

Insurance Quotes were presented by Lori from Hopkins from ICAP. We also had a sealed bid from Rick Woodley. We will meet again to discuss when all council members can be present to make a decision.

New Business:

Church building was discussed with a member of the Board for the church and the Havelock Fire Chief in attendance. The discussion of Liability came up and cost associated with demolition. It was expressed in the meeting from a council member that they might know someone interested in purchasing the building. This will be tabled until that discussion takes place.

Toilet in city hall needs to be replaced. We should be working on getting ADA compliant. City council has asked City Clerk to get bids from Laurens Plumbing and Seiler to get a new toilet and sink put in that would be ADA compliant.

City Clean Up days will be scheduled for May 4-11. City clerk will schedule and check on funding with the Pocahontas Economic Development.

Meeting adjourned.
